Las Vegas Valley Humane Society

ANIMAL TALK

CELEBRATING OUR 30TH ANNIVERSARY

30 YEARS AND THOUSANDS OF LIVES SAVED WITH YOUR SUPPORT!!

For the past thirty years, we have proudly served the Las Vegas community. It is because of our supporters that the Las Vegas Valley Humane Society has been able to provide aid to sick, injured and abandoned animals, spay and neuter both feral community cats and owned dogs & cats, and assist animals in need. Without your generosity in the form of donations, bequeaths, grants and support for our various fundraising efforts, we would not be able to have such a far reaching impact. During the last fiscal year alone, we were able to TNR over 630 feral cats, assist the community with over 400 owned animal spay/neuters, rescue and adopt out over 300 cats/dogs in our adoption program and provide medical help to over 650 injured animals. All of this took place during Covid shutdowns and restrictions. Our volunteers work tirelessly to help these animals in our community. LVVHS will be hosting a 30 year celebration event in the fall and we look forward to sharing our success with our volunteers, supporters and our furry friends. The Las Vegas Valley Humane Society is committed to helping sick, injured and abandoned animals for the next 30 years and beyond!

Thank You For Your Continued Support!

Disclaimer: The Las Vegas Valley Humane Society is not associated with and receives no funding from the Humane Society of the United States (HSUS). It does espouse the values of that organization. It does not solicit donations using cards, return address labels or another product sent to the respondent in the hopes of soliciting donations. The Las Vegas Valley Humane Society is not associated with local animal control agencies or shelters. Its animals stay in foster homes and are rescued from Southern Nevada.

The LVVHS is a non-profit organization dedicated to improving the plight of homeless, abandoned and abused animals in Clark County through rescue, rehabilitation, and reduction in animal overpopulation by spaying and neutering.

ADOPTION CENTERS

The students from the Fire Mesa Campus at the Doral Academy selected our organization to be the recipients of their 2022 Donation Drive for Animals.

The generous students collected 4+ boxes of dog and cat food, treats, toys and accessories. These are an amazing group of animal lovers, kind and dedicated to their causes of helping out dogs and cats that aren't as fortunate as some.

These two little dynamos, Lola at 9 and Cher at 5, collected all these items to donate to our organization to help homeless pets get a new start in life. Cher wanted to do something special with her own project and got her sister Lola involved. As young as they are, they saw a need and wanted to make a difference.

We can't thank these two go-getters enough; what they did will make some 4-legged furry friends smile. Thank you from all of us here at the Las Vegas Valley Humane Society.

Donate to the Las Vegas Valley Humane Society and help us continue our work serving the animals of Southern Nevada.

Thank You! 

The First Week of March is Nevada Reading Week

On March 1st and 2nd, the Las Vegas Valley Humane Society participated at two valley elementary schools. The kids enjoyed getting together in groups and reading to the rescue pups. The pups enjoyed the attention and congratulating the kids on a job well done with snuggles and puppy kisses! This was a great opportunity for the kids to practice their reading skills out loud in a low key and fun environment without judgment.

IN MEMORY AND IN HONOR OF...

JINX was found on the streets

of Las Vegas with an upper respiratory infection, crusty eyes and nose, congested breathing and diarrhea. With his feeder's permission he was scooped up for medical treatment. He needed a few weeks to get healthy and strong, and is now looking for his furever home. He is playful and happy. He purr-chirps in conversation and loves belly rubs. Although he loves to eat and is not picky, he has a sensitive lower GI and requires prescription food with no human treats.

Would you like to meet Jinx?

PLEASE CALL OUR HOTLINE AT 702-434-2009

SCOOTER and his friend, Buddy, both senior pups, lost their owner earlier this year. Due to the owner's illness, these boys were somewhat neglected and in need of medical and grooming attention. Scooter was very overgrown and matted. LVVHS was able to immediately rescue these boys and put them in a wonderful foster home where they could enjoy a quiet, calm and loving environment. Once groomed, Scooter became a different dog! He is now a super happy boy! He's a bit shy at first meeting, but warms up and just adores being the center of attention. Scooter and Buddy are now ready for adoption and are looking for a new furever home.

FRANKLIN aka Frankie is a 10 month old terrier mix. A rescue partner reached out to LVVHS when he was not acclimating to their culture well. We were so happy to be able to take him into our program and provide a safe and quiet foster home. Franklin was taken in for medical exams which included a neurological consult. This happy, loving boy was a trooper and peppered his neurologist with kisses during the exam and testing. He had signs of cranial trauma and neurological issues. He has now healed nicely from the trauma but continues to bob his head and walk a little off kilter on occasion. No medication is required at this time; however, his condition will require future check-ups. Franklin has no pain and enjoys life to the fullest as all puppies should!

It Just Takes One Foster to Make a Difference By Offering Their Home

Open your heart and home temporarily to an animal in need. Our foster parents are true lifesavers. **APPLY TODAY!**
